Big News: The Mystery Machine is Expanding! (And You're Invited 🙄)

Well... it's official! The Mystery Machine is expanding to a second location—and I couldn't be more excited to share this with you first.

Starting the first MM felt like, "Aww, good for him—he had an idea and actually made it happen." But this second one?

It feels more like: "Oh snap... this is really working."

That's because it is. And it's thanks to the energy, support, and excitement you've all brought to the table.

So here's your exclusive insider info:

The second Mystery Machine will be launching at *The Bold Face Dairy Bar* in Price Hill.

801 Mt Hope Ave, Cincinnati, Oh

2nd Grand Opening: Father's Day (Sunday, April 15th)

2:00–3:30 PM

Just like the first launch, we're bringing the fun:

Free drinks to anyone who does one of the following:

Share the Mystery Machine on their Instagram story

- Snags the mystery machine on their Instagram story
- Follows any MM social media platform
- Adds their email to our newsletter (but you're already on it)
- OR is a dad (Happy Father's Day)

💡 Bonus: If your mystery drink turns out to be float-worthy, the Dairy Bar will turn it into a \$1 ice cream float on the spot.

And yes... The Golden Can is back.

Receive it on opening day, and you'll win a Mystery Box delivered to your door.

Thanks for being here since the beginning.

Let's keep making this thing bigger, better, and way more mysterious.

Until next time,
Mystery Man
